Why FICA® | For Advisors?

FICA® | For Advisors is designed specifically to help brokerages and advisory firms to maximize the value of their clients' non-transactional cash and compete for large cash balances held outside of the advisory relationship. The combination of competitive yield and a high level of FDIC insurance effectively removes the barriers to capturing and protecting more of your clients' assets and attracting new business.

Once only offered to large institutions, FICA® | For Advisors is an incredibly powerful tool that looks beyond transactional cash to increase the value of your business and attract dollars that can be incorporated into a longer-term financial plan.

All information contained herein is for informational purposes and should not be construed as investment advice. It does not constitute an offer, solicitation or recommendation to purchase any security.

FICA® | For Advisors satisfies the FDIC's requirements for agency pass-through deposit insurance coverage. Program banks in the network are FDIC-insured "banks" as defined in the Federal Deposit Insurance Act. The FDIC Limit is \$250,000 per depositor per bank.

StoneCastle is not a bank, nor does it offer bank deposits and its services are not guaranteed or insured by the FDIC, or any other governmental agency. StoneCastle is an investment advisor registered with the United States Securities and Exchange Commission (SEC). For more information regarding the firm, please see its Form ADV Part 1 and 2A on file with the SEC. Registration with the SEC does not imply a particular level of skill or training.

1 FICA® | For Advisors ("FICA®") is not a member of The Federal Deposit Insurance Corporation (FDIC), but the depository banks where client money is placed are FDIC members. The FDIC is an independent agency of the U.S. government that protects the funds depositors place in FDIC insured institutions. FDIC deposit insurance is backed by the full faith and credit of the U.S. government.

2 Balances held in clients' accounts may not receive FDIC insurance. If clients have any cash at any depository institution that is in the FICA®

network then they may not receive full FDIC insurance coverage on their deposits at those institutions. Funds may be submitted for placement only after a depositor enters into a FICA® agreement. The agreement contains important information and conditions regarding the placement of funds.

3 Liquidity is on a next business day basis. Same day purchase credit and next day liquidity redemptions are subject to a 3:00 PM ET cut-off. Please read the FICA® Program Terms and Conditions for more complete information and the governing terms of the account (including liquidity, terms, etc.).

4 Current yield and maximum deposit insurance coverage is indicative for FICA® and may change without notice. Please contact StoneCastle for the most current yield and maximum deposit insurance coverage.

5 Kroll Bond Rating Agency ("KBRA") is registered with the SEC as a Nationally Recognized Statistical Rating Organization (NRSRO). In addition, KBRA is recognized by the National Association of Insurance Commissioners (NAIC) as a Credit Rating Provider (CRP). The AAAkf rating assigned to FICA reflects the Program's Primary Quantitative Rating (PQR) as measured by the KBRA Funds Credit Quality Rating Matrix, which is based on the credit quality of the underlying instruments that comprise the portfolio. Additionally, the fund rating is influenced by the results of the qualitative assessment of StoneCastle. The qualitative shadow rating (QSR) was found to be strong.
